

ALL-NEW JAGUAR F-PACE

SPECIFICATION AND PRICE GUIDE

THE ART OF PERFORMANCE

THE CONCEPT OF F-PACE

F-PACE is inspired by the acclaimed C-X17 concept vehicle. It takes the pure Jaguar DNA of legendary performance, handling and luxury. Then it adds space and practicality.

Technologically advanced to the core, F-PACE is the most practical Jaguar sports car. It combines maximum driving exhilaration with efficiency. All enhanced by technologies that keep you safe, connected and entertained. F-PACE has the capability for every road and the capacity for every day. It is the latest in a bloodline of beautiful, exciting cars. F-PACE is a Jaguar for you, a Jaguar for your family.

The following pages provide details and specifications for the F-PACE range. In-depth descriptions of key features and available options are designed to give you the information you require to create the F-PACE that's right for you. Alternatively, you may prefer to use the configurator at jaguar.co.uk/build-yours to specify and price your new car. For all First Edition enquiries, please contact your local Retailer.

Please note that images shown are for illustrative purposes only and are not to exact UK specification.

Rubber Loadspace Mat	Fully integrated, this loadspace rubber mats will protect the X761 for years, thanks to its high quality manufacturing, designed to be durable, anti-slip and matt-look finish		T4A4218	£141.00
Rubber Loadspace Mat Extension	Offered for fitment in conjunction with Rubber Loadspace Mat the Mat Extension provides protection to the back of the rear seats when folded down		T4A4219	£68.00
Rubber Loadspace Liner Tray	Tough 'non-slip' tray providing protection to the loadspace floor with raised lip around edges to protect the loadspace side walls. Ideal to protect the load space from dirty/wet equipment. Not applicable with cargo barriers		T4A5569	£176.00
Flexible Loadspace Liner	Protects loadspace floor and walls from dirty/wet equipment		T4A5567	£165.00
Waterproof Premium Seat Covers (Electric Front Seats)	Helps protects seats from mud, dirt, wear and tear. Easily fitted and machine washable	Black	T4A5565	£248.00
		Almond	Contact Retailer	£248.00
Waterproof Premium Seat Covers (Rear Seats)	Helps protects seats from mud, dirt, wear and tear. Easily fitted and machine washable	Black	T4A5568	£296.00
		Almond	Contact Retailer	£296.00
Protective Rear Cover for Back Seat Area	Protects back of front seats, floor and second row seats from mud, dirt and wear and tear. Machine washable. Includes headrest and armrest covers		T4A5566	£188.00
Bumper Protector	Convenient pull out Protector provides protection for the rear bumper from scratches and scuffs, helping to prevent clothing from collecting dirt from the bumper during loading/unloading		T2H7950	£152.00
Car Cover	All-weather tailored cover for the F-PACE with the Jaguar logo. Protect your F-PACE from the elements including showers, frost and dust. Quick and easy to fit		T4A4215	£248.00
Wheel Cleaner - 500ml	Jaguar and Autoglym have collaborated to develop and rigorously test a unique high performance wheel cleaner formula. This specially formulated Alloy Wheel Cleaner is the only wheel cleaning product approved as compliant with Jaguar's exacting technical requirements and is officially recommended for all Jaguar vehicles		C2D20074	£20.00
Jump Cables	Jump cable set, RBC350 - 450 Amp. Branded Jaguar with storage solution		T2H7740	£140.00
Bulb Kit	Bulb kit including new halogen bulbs		T4N7503	£72.00

ACCESSORIES

TOURING ACCESSORIES		PART NUMBERS	PRICE	
Loadspace Partition	The luggage compartment partition is designed to prevent cargo from entering the passenger compartment	Half Height	T4A5930	£269.00
		Full Height	T4A5929	£293.00
Loadspace Partition Divider	Offered as an addition to the full or half height luggage compartment partition to separate the loadspace into two sections across the width of the vehicle		T4A5931	£172.00
Soft Loadspace Partition Net	Convenient partition net fitting to luggage compartment D-loops and fixings in roof lining		Contact Retailer	£176.00
Luggage Compartment Side Nets	Side net provides additional enclosed storage in the luggage compartment and help to secure loose items such as bags or small parcels		T4A4213	£62.00
Load Retention Net	Luggage Compartment Floor Netting. Secures small items and luggage within the loadspace		T4A4214	£98.00
Loadspace Retention Kit	Pack of attachments that fix into the Loadspace Rails via a quick lock/quick release system to provide a flexible stowage for retaining luggage and other items in the Loadspace. The attachment pack includes a retractable strap with inertia reel, telescopic rod and stowage bag		C2Z23517	£161.00
Loadspace Rails			T4A5928	£300.00
Detachable Tow Bar and 13 Pin Electrics	Bespoke towing system featuring a detachable tow ball. Designed hand in hand with the base vehicle features and optimised to work alongside Trailer Stability Assist traction control system. Designed to fit into a dedicated stowage area under the loadspace floor when not in use. 2400Kg, 175Kg Nose load		T4A6272	£803.00
Electrically Deployable Tow Bar and 13 Pin Towing Electrics	Bespoke towing system featuring an Electrically Deployable Towbar, available to use at the touch of a button. Designed hand in hand with the base vehicle features and optimised to work alongside Trailer Stability Assist traction control system. The Electrically Deployable Tow Bar is stowed discreetly behind the bumper, providing a clean attractive finish. It is sensitive to obstructions. Tow bar includes 13 Pin towing electrics. 2400Kg, 175Kg Nose load		T4A7048	£2,099.00
Towing Electrics Adapter (13 PIN to 12N)	Allows 13 Pin Electrics to be connected to trailers, caravans or other accessories equipped with 7 Pin 12N Electrics Socket		C2Z21497	£53.00
Towing Electrics Adapter (13 PIN to 12N & 12S)	Allows 13 Pin Electrics to be connected to trailers, caravans or other accessories equipped with 7 Pin 12N/S Electrics Sockets		C2Z21496	£102.00
Trailer Lighting Board	New Trailer Lighting Board has a durable plastic construction which includes integrated fixing method, 13 PIN Connector and Reverse Lights		T2H7736	£140.00
Tow Recovery Strap	This includes a storage bag that can be attached as a warning flag to the strap and has a 3,000Kg maximum load capacity		T2H7951	£80.00
Ratchet Straps	Useful ratchet strap for securing items when roof carrying		C2Z30776	£23.00
Carrier Basket	Acts as an essential aid when transporting luggage on the roof		C2A1536	£248.00
Roof Luggage Box	Spacious 410-litre capacity lockable roof luggage box, measuring 175x82x45cm		C2C41628	£543.00
Sun Shades - Side Windows	Easy to install and remove, these clip in sun blinds fold for convenient stowage on 2nd row. Supplied with Jaguar branded stowage bag		T4A4052	£92.00
Sun Shades - Rear Windows	Easy to install and remove, these clip in sun blinds fold for convenient stowage on loadspace side windows & tailgate. Supplied with Jaguar branded stowage		T4A4053	£110.00
Front Screen Sunshade	Helps to keep the vehicle interior cool in hot weather		T4A4216	£103.00
Tyre Pressure Gauge	Digital tyre pressure gauge which stores recommended pressure and has a unique 360° rotating nozzle to locate tyre valve, LED light, tread depth gauge, measuring in psi, bar, kpa, kg/cm ² and comes complete with storage case		C2P24751	£38.00
Fire Extinguisher	1 Kg - Fitted with a bracket under the passenger seat		T2H7129	128.00

Prices shown include VAT and Retailer fitting costs. Prices are subject to change, please consult your local Jaguar Retailer for details.

TOURING ACCESSORIES [CONTINUED]		PART NUMBERS	PRICE
First Aid Kit	Treat minor injuries with this comprehensive first aid kit	T4N9157	£58.00
Warning Triangle	Warning Triangle comes complete with integral stand	T2H7754	£39.00
Central Armrest Chiller/Warmer	Food and drinks chiller and warmer that acts as a rear centre armrest. With a leather covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family	T2H7739	£404.00
Headrest Mounted Coat Hanger	The Jaguar coat hanger is a headrest mounted solution featuring Jaguar branding and a chromed 'spring fit' construction. Mounting simply and securely this coat hanger is easy to fit and remove and provides a convenient stowage point to keep clothing wrinkle free	T2H7759	£44.00
Standard Seat Back Stowage	Add practicality to the vehicle, with efficient stowage that attaches directly to the seat framework	T2H7760	£83.00
Premium Seat Back Stowage	Bespoke seat back stowage offered in a premium high quality leather material provides a neat stowing solution in the cabin area for small/handheld items. Features embossed Jaguar branding and high quality synthetic materials for interior compartments	C2Z24589	£174.00
iPad Holder	Jaguar branded iPad* holder mounts to front seat headrests providing a flexible solution for rear seat entertainment. Quick release design ensures iPad* can be fitted or removed quickly and easily	T2H7757	£168.00
iPad Mini Holder	Jaguar branded iPad* mini holder mounts to front seat headrests providing a flexible solution for rear seat entertainment. Quick release design ensures iPad* mini can be fitted or removed quickly and easily	T2H7758	£168.00
Battery Conditioner (UK)	Diagnoses, monitors and maintains the Battery at optimum levels ensuring prolonged battery life and reliability	C2P24103	£167.00
Jaguar Tyre Repair System	Line fit tyre repair kit offered as a retailer fit accessory for retro-fit	Contact Retailer	£128.00
Space Saver Spare Wheel	The Space Saver Spare Wheel is available for vehicles without this specified on the line. The wheel will be stored below the loadspace floor. Tyres must be ordered separately	Contact Retailer	£432.00

GLOSSARY

POWERTRAIN AND DRIVING DYNAMICS

JAGUARDRIVE CONTROL

Offers different modes selectable by a button to optimise the vehicle response depending on driving conditions and style.

DYNAMIC MODE

Dynamic Mode remaps the car's software to further emphasise its sporting character. It sharpens the throttle response, increases steering weighting and performs gear shifts more quickly and at higher engine speeds.

WINTER MODE

By selecting Winter Mode, the system automatically dampens acceleration and applies more gradual traction for slippery conditions.

ECO MODE

Eco Mode encourages fuel efficient driving offering gear change information and fuel economy feedback, it also reduces consumption by managing climate and audio electrical load.

ADAPTIVE DYNAMICS

Continuously monitors the road and driver inputs and optimises the car's suspension settings for ride comfort and control.

CRUISE CONTROL WITH AUTOMATIC SPEED LIMITER (ASL)

In tandem with cruise control, an Automatic Speed Limiter (ASL) allows the driver to select a maximum speed that should not be exceeded.

ADAPTIVE CRUISE CONTROL (ACC) WITH INTELLIGENT EMERGENCY BRAKE (IEB)

For effortless long distance driving, Adaptive Cruise Control will maintain a pre-set gap between you and the vehicle in front. If it slows, so will F-PACE; if it accelerates, or moves out of the way, F-PACE will return to your pre-set cruising speed.

INTELLIGENT STOP/START

Stop/Start is a technology that stops the engine when it is not needed, improving the fuel economy and reducing the car's CO₂ emissions. The engine will restart immediately as soon as the driver's foot comes off the brake pedal. The engine will be operating at full capacity before the driver's foot has touched the accelerator pedal.

TORQUE VECTORING

Torque Vectoring technology provides controlled braking on the inside rear wheel delivering sports car agility and added driver confidence.

SAFETY AND SECURITY

PARKING AIDS

F-PACE's front and rear parking aids provide audible proximity warnings complemented by a reverse park camera that not only shows the view from the rear on the Touch-screen, it provides an overlay of graphical information about the space the car is reversing into.

PEDESTRIAN CONTACT SENSING SYSTEM

A system that senses an impact between a pedestrian and the front of the car. It instantaneously raises the bonnet through a small distance in a very controlled way, to help prevent the pedestrian from contacting hard points under the bonnet.

JAGUAR TYRE REPAIR SYSTEM

Provides an electric pump and a canister of sealant to enable a temporary repair and re-inflation for a puncture of up to 6mm diameter in the tread area of the tyre, but not in the tyre walls.

TRAFFIC SIGN RECOGNITION

In conjunction with the Navigation system, the Traffic Sign Recognition feature uses a highly accurate camera system which detects speed limit and no overtaking signs and will display them to the driver.

AUTONOMOUS EMERGENCY BRAKING

Utilising a camera with image processing, should a potential collision be detected, F-PACE beeps a 'forward collision' warning, giving you time to take action. A visual warning in the instrument cluster or Head-Up Display follows. If no action is taken, with a collision still anticipated, the system then applies the brakes to help reduce the severity of a possible impact.

LANE DEPARTURE WARNING

A forward facing camera detects lane markings and warns you by vibrating the steering wheel if you stray from a lane without indicating.

BLIND SPOT MONITOR

Jaguar's extended range Blind Spot Monitoring technology not only counteracts the danger of changing lanes while a vehicle is in a blind spot, it also senses vehicles approaching F-PACE at high speed.

REVERSE TRAFFIC DETECT

Reversing into unseen potential traffic, like emerging backwards from a parking bay, is made less hazardous with Reverse Traffic Detect which senses moving objects approaching F-PACE's rear and provides warnings if the exit is not clear.

EXTERIOR FEATURES

ADAPTIVE FRONT LIGHTING

Sensors react to the car's speed and steering input, and the system can deflect headlamp beams casting light deeper into corners, giving added confidence at night. Intelligent high beam automatically maximises driver visibility. When sensing preceding, oncoming traffic or street lights, the headlamps will automatically switch to low beam.

INTERIOR FEATURES

JAGUARSENSE

JaguarSense makes it possible to operate the overhead lights with the very lightest touch.

JAGUAR SMART KEY SYSTEM WITH KEYLESS START AND KEYLESS ENTRY

With the Jaguar Smart Key in your pocket or bag, the Keyless entry system allows the F-PACE to be conveniently unlocked by simply pressing a button on the door handle. Jaguar's Keyless start system also allows the F-PACE to be started at the simple press of a button.

DUAL ZONE CLIMATE CONTROL

With humidity control, air filtration and dual temperature control for driver and front passenger.

MULTIMEDIA

NAVIGATION SYSTEM¹

SD based system, providing faster access to data including postcode entry, destination entry on the move, voice guidance, Jaguar Voice input, RDS and TMC (Traffic Messaging Channel)/Dynamic Route Guidance, accessed through Touch-screen control system.

8" CAPACITIVE TOUCH-SCREEN

With controls for audio, climate control, Bluetooth® audio streaming and Navigation system.

BLUETOOTH® AUDIO STREAMING

A Bluetooth® equipped Jaguar, enables hands free use of your mobile phone at any time when the phone is in the car through the Touch-screen. Bluetooth® also provides the ability to stream audio content, and full function control enables easy track selection. Bluetooth® is compatible with many mobile phones from most manufacturers including Apple, BlackBerry® and HTC - ask your local Jaguar Retailer or visit jaguar.co.uk for more details.

JAGUAR 80W SOUND SYSTEM

Jaguar's 80W Sound System features 4 amplifier channels and 6 speakers.

MERIDIAN 380W SOUND SYSTEM

Designed in conjunction with British audio experts Meridian specifically for F-PACE. Featuring advanced technology, such as Digital Signal Processing (DSP) technology, to optimise every element of the system and use Meridian Cabin Correction's advanced algorithm to tailor the music experience to the precise acoustics of the vehicle's interior. The Meridian Sound System features 11 speakers - including 2 subwoofers, 380W and 12 channels.

HEAD-UP DISPLAY (HUD)

F-PACE incorporates a Head-Up Display (HUD) that projects key information, onto the windscreen, directly in your line of vision. Using the latest, brightest laser display technology for maximum clarity, it allows you to watch your speed, see navigation turn-by-turn guidance and gear placement.

INCONTROL APPS

F-PACE's all-new InControl system allows you to connect your smartphone, and using the vehicle's Touch-Screen, control compatible Apps. Simply download the Launcher App and plug in your smartphone to get Apps on the Touch-screen in the centre console. Key Apps include contacts, maps, calendar and music player.

INCONTROL REMOTE PREMIUM

Using an InControl App on your smartphone, remotely set the climate controls to heat or cool F-PACE to your desired temperature.

INCONTROL WI-FI

InControl Wi-Fi provides F-PACE with a powerful external aerial for strongest possible mobile and data signal reception. It also creates an in-car Wi-Fi hotspot allowing passengers to wirelessly connect a range of devices with F-PACE's Infotainment system and the internet.

INCONTROL SECURE

In the event of your F-PACE being moved illegally, the Stolen Vehicle Monitoring Centre will immediately alert you and liaise with the authorities to pinpoint the exact location of your vehicle.

¹The Navigation system must always be used in conditions that will not affect the driver's ability to drive safely or affect the safety of other road users

Please consult your local Jaguar Retailer for details.

OWNERSHIP EXPERIENCE

Service, assurance, and peace of mind are all part of the pride of owning your F-PACE.

THE JAGUAR ACCESSORY RANGE†

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. A comprehensive range of styling options, interior and exterior accessories, enabling you to tailor your F-PACE to suit your personal style. The full range of Jaguar accessories is available to view on-line, please visit jaguar.co.uk for further information.

Any genuine Jaguar Accessories (excluding gift items and luggage from Jaguar Collection) supplied and fitted by a Jaguar Retailer within one month or 1,500km/1,000 miles (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the Vehicle Warranty. Accessories purchased outside of this period will be subject to 12 month unlimited mileage warranty.

BECAUSE ONLY THE BEST WILL DO

An official Jaguar Retailer or Approved Service Centre can ensure that Jaguar trained specialist technicians, with access to the full range of Jaguar approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way Jaguar intended. Your Jaguar Retailer or Approved Service Centre can also supply and fit Jaguar approved accessories to personalise and add to the practicality and style of your F-PACE model.

SERVICE AND ASSURANCE*

Complete peace of mind including competitively priced servicing, seasonal health checks and total tyre care to ensure that your Jaguar F-PACE retains its premium condition, delivering optimal performance.

WARRANTY*

3 year warranty together with a 3 year paint surface warranty and a 6 year corrosion (perforation) warranty.

JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features the All-New F-PACE, All-New XF, XE, XJ, F-TYPE and future vehicles, and the worlds of luxury, style, design and travel. The fully interactive Jaguar Magazine iPad app takes the very best of the print edition of the Magazine and adds extra images, and exclusive information, allowing you to explore Jaguar's world in a whole new way.

JAGUAR.CO.UK

Jaguar's official interactive website contains the latest information on Jaguar models and pricing. It also features helpful tools such as a Retailer locator and a new model configurator allowing you to see the car tailored to your specification and colour.

JAGUAR FINANCIAL SERVICES*

Whether your requirements are business or personal please contact your local Jaguar Retailer to discuss a range of finance and insurance products that can be tailored to meet your needs.

*Terms and conditions apply. Please contact your local Jaguar Retailer for more information

†All Jaguar Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that accessories are both durable and importantly, continue to comply with current legislation

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation. Comparisons are based on manufacturer's own data and testing prior to publication.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is proud to continue the company's tradition with its approach to Environmental Innovation. From the choice of lightweight materials and lean production methods to the efficiency of its engines and designs, Jaguar is committed to operating as a more sustainable business and reducing its overall environmental impact.

Jaguar's flagship XJ model was the first in the company to achieve ISO14040, the international standard for vehicle 'life cycle assessment'. This certification measures the environmental impact of XJ from component material sourcing and manufacturing process, through driving 200,000 km. But that's not all. Every new Jaguar is designed to be 85% Recyclable/Reusable and 95% Recoverable at the end of the vehicle's life.

F-PACE, XF, XE, XJ and F-TYPE's innovative use of lightweight aluminium, which incorporates up to 50% closed-loop recycled material from the manufacturing process of the bodystructures, provides considerable performance benefits. This includes improved fuel consumption and less CO₂ emissions during the use phase of the Life Cycle due to lighter structures. Our on-going target is to ensure scrap aluminium reclaimed from our stamping process is to be segregated and recycled through a closed loop system and re-melted into the same grade quality sheet, therefore reducing CO₂ emissions during the production phase of the Life Cycle. Jaguar is committed to reducing dependency on fossil fuels, using fewer resources and creating less waste as part of our approach to sustainability excellence.

The company plan includes 25% reduction targets in operating and tailpipe CO₂ emissions, waste to landfill, logistics efficiencies (15%) and water consumption (10%), all based on per vehicle built since 2007. In addition the manufacturing assembly CO₂ emissions of each Jaguar built in the UK since 2009 is 100% offset. For each tonne of CO₂ emitted in the assembly process, Jaguar invests in projects that reduce an equivalent tonne of CO₂ elsewhere. Taking into account the company's global sales growth and increased investment in more efficient operating facilities, we are proud to have delivered and in some cases exceeded our Environmental Innovation targets as planned for 2012. And we are on track to meet our 25% reduction in joint European fleet average tailpipe CO₂ emissions by 2015.

Looking forward, we have developed our 2020 vision for sustainable business growth that focuses on continued improvements in tailpipe CO₂ emissions, operational carbon neutrality and zero waste. To date the company has offset over 6 million tonnes of CO₂, provided over 4,000 direct jobs in 60 emissions reductions projects in 17 countries and improved the lives of over 1 million people in our global cook stoves emissions reduction programme.

But it doesn't stop there. Our manufacturing facilities have been certified to ISO14001 since 1998 and we are credited to Platinum Plus level in the UK's Business in the Community Corporate Responsibility Index.

Please consult your local Jaguar Retailer for details.
