

1. WHAT'S NEW

Since the 2014MY launch, the F-TYPE has received significant upgrades including the introduction of the coupe body style, all-wheel drive drivetrain, manual transmission and new powerful engines. The 2019MY brings the following changes:

- **Exterior updates:** optional 20" 5 Split-Spoke 'Style 5040' wheels with Metallic Black Finish and SVO Paint Palette introduced
- **Interior update:** Side vent inner bezel trim change
- **Infotainment:** 10" touchscreen (replaces 8" touchscreen)
- **Driver Assistance:** introduction of optional Blind Spot Assist and standardization of Lane Keep Assist, Driver Condition Monitor and Traffic Sign Recognition/Adaptive Speed Limiter
- **Badging:** engines are now badged P300, P340 and P380 – signifying rounded horsepower output

Information on the 2019MY F-TYPE is detailed in the following product brief.

2. LAUNCH TIMING

Reveal

- Global 2019MY reveal: October 30th, 2017

Launch Timing

- Production Job#1 is January 2018
- On-sale: Estimated Spring 2018
- First Order Call: To be announced by Distribution

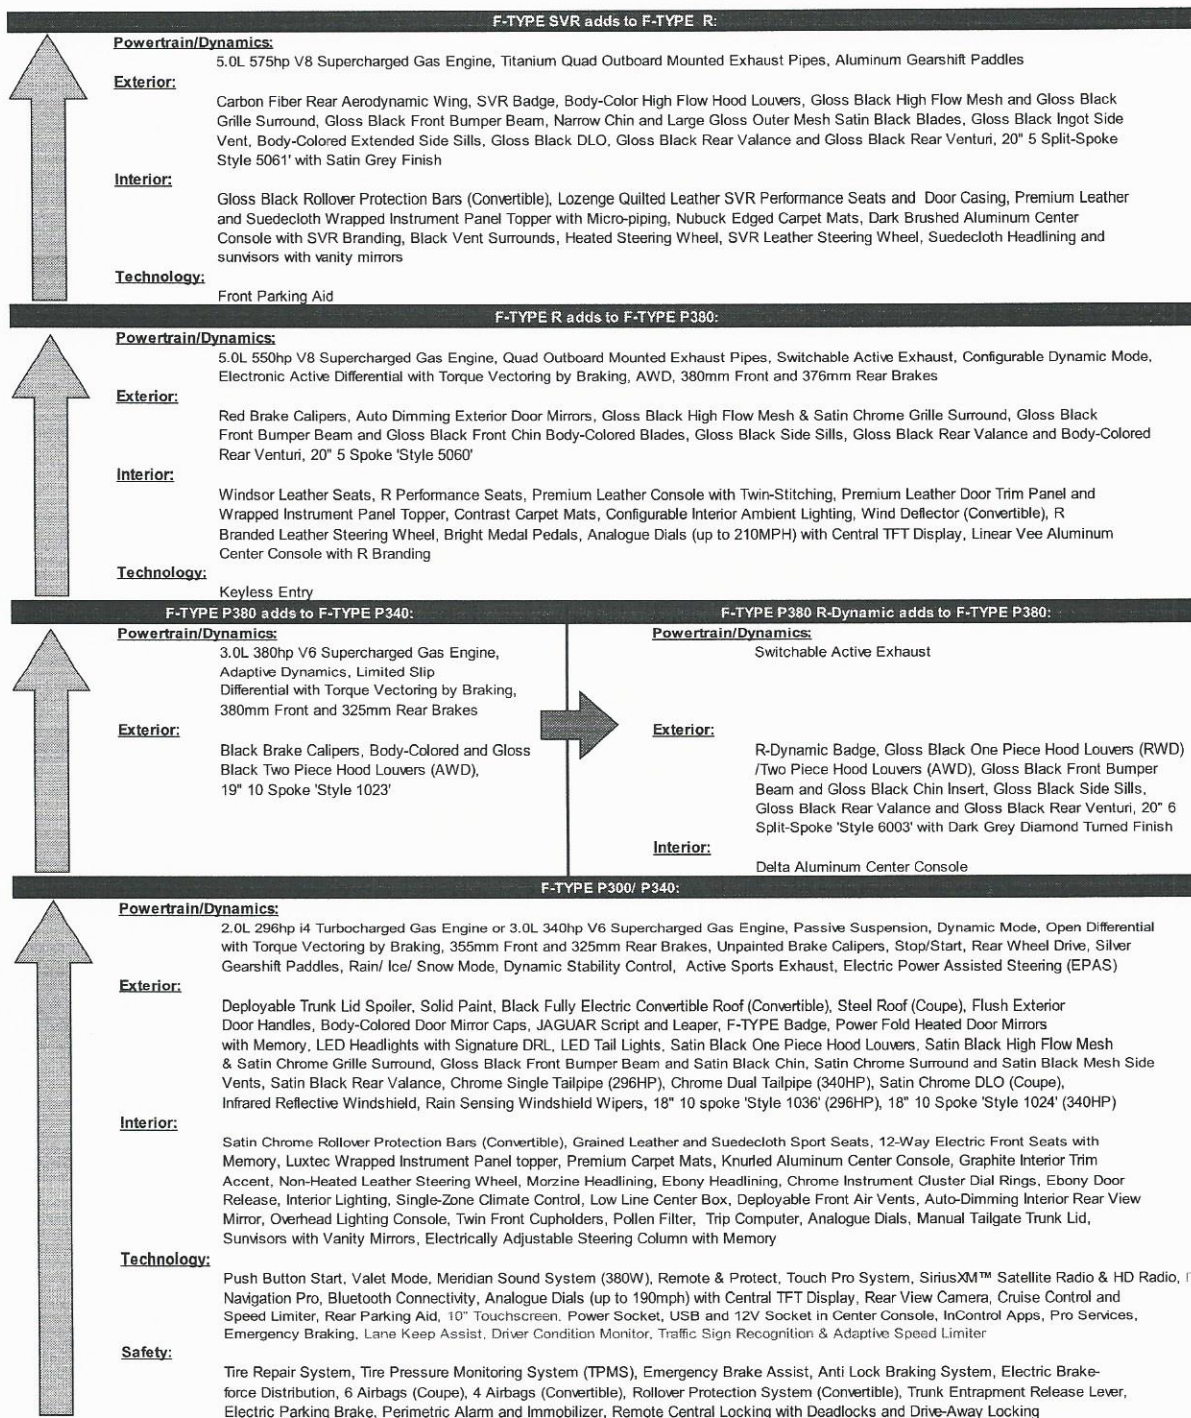

3. STANDARD EQUIPMENT SPECIFICATION WALK

The 2019MY increases in standard equipment have resulted in revised F-TYPE pricing. Model availability and entry MSRP's without D&D for each trim line are the following:

Engine/Transmission/Drive			F-TYPE		R-Dynamic		R & SVR	
			Coupe	Convertible	Coupe	Convertible	Coupe	Convertible
2.0L 296HP	Auto	RWD	\$ 60,750	\$ 63,850				
3.0L 340HP	Manual	RWD	\$ 68,850	\$ 71,950				
3.0L 340HP	Auto	RWD	\$ 70,150	\$ 73,250				
3.0L 380HP	Manual	RWD			\$ 82,050	\$ 85,150		
3.0L 380HP	Auto	RWD	\$ 80,750	\$ 83,850	\$ 83,350	\$ 86,450		
3.0L 380HP	Auto	AWD	\$ 83,750	\$ 86,850	\$ 86,350	\$ 89,450		
5.0L 550HP	Auto	AWD					\$ 100,750	\$ 103,850
5.0L 575HP	Auto	AWD					\$ 122,750	\$ 125,850

A detailed standard equipment specification walk is shown on the following page.

Changes in standard equipment, options or prices can occur. Jaguar reserves the right to change product specifications at any time without incurring any obligations.

Changes in standard equipment, options or prices can occur. Jaguar reserves the right to change product specifications at any time without incurring any obligations.

4. DESIGN

Wheels

- New optional 20" 5 Split-Spoke 'Style 5040' wheels with Metallic Black Finish are introduced at 2019MY. These wheels replace the 20" 5 Spoke 'Style 5060' with Satin Dark Grey Finish wheels which were exclusively fitted to the 2018MY 400 SPORT Limited Edition.

Exterior Design

- The 2019MY brings the arrival of the SVO Paint Palette. The SVO Paint Palette brings eighteen new premium colors to the F-TYPE product range. All eighteen colors are available in gloss or matte finish.

Interior Design

- Side vent inner bezel trim is changed from Gloss Black to Satin Black. Gloss Black Side Vents are available as part of the Interior Black Package.

Badging

For the 2019MY, the badging strategy has been changed on select trim lines and is detailed in the chart below:

Engine	Drive	F-TYPE		R-Dynamic			R		SVR	
		Front Badge	Rear Badge	Front Badge	Side Badge	Rear Badge	Front Badge	Rear Badge	Front Badge	Rear Badge
2.0L 296HP	RWD	n/a	P300							
3.0L 340HP	RWD	n/a	P340							
3.0L 380HP	RWD	n/a	P380	R-Dynamic	R-Dynamic	P380				
	AWD	n/a	P380 AWD	R-Dynamic	R-Dynamic	P380 AWD				
5.0L 550HP	AWD						R	R		
5.0L 575HP	AWD								SVR	SVR

Changes in standard equipment, options or prices can occur. Jaguar reserves the right to change product specifications at any time without incurring any obligations.

5. ADAS, INFOTAINMENT & CONNECTED CAR

Advanced Driver Assistance Systems

2019MY brings the standardization of Lane Keep Assist (replacing Lane Departure Warning), Traffic Sign Recognition, Adaptive Speed Limiter, Emergency Braking and Driver Condition Monitor. The 2018MY "Drive Package" has been discontinued.

Optional Blind Spot Assist replaces Blind Spot Monitor for 2019MY. Blind Spot Assist is linked to Rear Traffic Monitor (formally known as Reverse Traffic Detection). Blind Spot Assist is designed to use the rear facing radar within the rear bumper to detect approaching vehicles that are 330 feet away or closer. This system provides the driver with an alert in the door mirror and a gentle opposing force to a lane change if a collision risk is detected when a lane change maneuver is initiated with the indicator on. The Blind Spot Assist function can be enabled or disabled through the instrument panel menu. If disabled, the system reverts to the passive Blind Spot Monitor functionality.

Infotainment and Connected Car

Every F-TYPE now features the **10" Touch Pro** infotainment system as standard, replacing the 8" Touch Pro system. Touch Pro is highly responsive and features a highly intuitive user interface and sharp graphics. Touch Pro includes a quad-core processor and a high-speed 60GB solid-state drive, making every journey easier and more enjoyable.

Touch Pro™ is further enhanced by its connectivity package, Connect Pro and includes the following Pro Services:

- **Real Time Traffic** uses millions of live traffic data feeds to give a highly accurate picture of traffic on the way to your destination, helping the driver choose the best route. As the driver progresses, the system continues to monitor live traffic conditions, and can automatically reroute the driver to help avoid congestion.
- **Route Planner Companion App** allows the driver to pre-plan their route via an Apple® or Android™ smartphone. The app guides the driver to their vehicle, where they then will find their selected route visible on the F-TYPE touchscreen. Once the driver exits the vehicle, the app can guide them to their final destination.
- **Share your estimated time of arrival** so your selected contact(s) will know when you will arrive, as calculated by the navigation system. The system can then send automatic updates via text or email, without any further action from the driver.
- **Commute Mode** allows the system to learn the driver's commutes and automatically advises them of the expected journey time and quickest routes based on live and historical traffic movements.
