XJ

CONTENTS OF THE ORDER GUIDE:

- ▶ Specifications Pg 2 - Basic vehicle specifications
- ▶ Equipment Pg 3 - Standard and optional equipment OXO chart by model
- ▶ Options Pg 7 - Options and packages - All and by model
- ▶ Color & trim Pg 13 - Color and trim charts
- ▶ Wheels Pg 14 - Available wheels with images

NOTES ON ORDERING THE 2013 XJ:

- ▶ Launch Timing: Job#1 - July 23rd, 2013
- ▶ The Sport & Speed Pack available on XJ and XJL Supercharged is orderable using the **Trim pack section** of the VISTA system
- ▶ Two steering wheels are available in the XJ: an all-leather wheel and a wood/leather wheel. The wood/leather wheel is available ONLY with gloss wood veneers.
- ▶ Dealer installation of front splitter: note that to maintain shipping clearance, the lower front splitter (or spoiler) on XJ models equipped with Sport & Speed Pack and Speed Pack is shipped in the trunk of the vehicle; the splitter **needs to be installed at the dealership prior to sale.**
To compensate the dealership for the labor cost incurred to install the splitter the invoice price of these options has been lowered - thereby increasing dealer margin

CHANGES FOR 2013 MODEL YEAR:

- ▶ Introduction of a 3.0L V6 Supercharged engine
- ▶ All engines are fitted with a new 8 speed transmission and receive Intelligent stop-start
- ▶ XJ model: now fitted with 12x12 heated front seats as standard equipment. 20x20 heated/cooled seats are included in the Front seat comfort pack
- ▶ Massage seats are now available as an option on all derivatives except for XJ/XJL Supersport where the feature remains standard
- ▶ The rear Comfort Pack introduced as standard fitment on XJL Supersport at 12MY is now available as a stand-alone option on the XJL Supercharged and in combination with the executive pack on the XJL
- ▶ An all new badging strategy is introduced:
 - "Jaguar" script on the center trunk lid underneath the leaper
 - Engine displacement on the right hand side of trunk lid
 - Portfolio script is no longer available
