**Delivery of Your Goods:**

Before signing for your goods, please ensure you check the outer packaging. If there is noticeable damage to any part of the packaging, please sign the delivery note accordingly. We cannot accept claims for goods damaged in transit if you have not indicated damage on the delivery note. We must be notified (details below) within 48 hours of delivery of any damaged packaging.

Any damages, defects or shortages must be notified in writing within 48 hours of receipt of goods to [returns@mytonautomotive.com](mailto:returns@mytonautomotive.com) DO NOT return any items without prior arrangement/confirmation from Myton Automotive. All items must be returned to us before replacement goods will be dispatched. Myton Automotive can not be held responsible for any shortages, damages or defects notified to us after 48 hours from delivery. Any customer refusing delivery of goods for any reason other than 'goods damaged in transit' will be responsible for the delivery costs to the customer and the return to our warehouse. There will also be a minimum 20% restocking charge.

Electrical items once fitted will not be accepted for credit. Electrical items are tested before they are dispatched.
