FOR THE 2013MY XK

CONTENTS OF THE ORDER GUIDE:

- ▶ Specifications - Basic vehicle specs
- ▶ Equipment - Standard and optional equipment OXO chart by model
- ▶ Options - Options and packages by model
- ▶ Color & trim - Color and trim charts
- ▶ Wheels - Available wheels with images

NOTES ON ORDERING THE 2013 XK:

- ▶ XKR-S is built to order only; contact your Market Manager for allocation
- ▶ Dealer installation of front splitter: note that to maintain shipping clearance the lower front splitter (or spoiler) on certain XK models/options is shipped in the trunk of the vehicle; the splitter will need to be installed at the dealership prior to sale.
To compensate the dealership for the labor cost incurred to install the splitter the invoice price of these models and/or options has been lowered - thereby increasing the dealer's profit.
Effected models/options include: XKR-S, XKR Black Pack and XKR Dynamic Packs
- ▶ The Special Order (SO) charge has been eliminated; we will still publish Designer's Choice recommendations to provide guidance on preferred combinations
 - > The Racing paint charge still applies on XK and XKR (XKR-S is exempt)
 - > Special top colors still carry a charge (Burgundy, Dark Brown, Dark Green)

CHANGES FOR 2013 MODEL YEAR:

- ▶ New Portfolio Pack (available on XK and XKR)
 - ▶ Dynamic Pack now available on XKR Convertible
 - ▶ 20" wheels are now standard on all XK models: XK, XKR and XKR-S
 - ▶ Carnelian Red replaces Claret in July Order Call; Last Order Call for Claret is May
- See the 2013MY XK Product Brief on the Product & Distribution website for complete details*

KNOWN ORDERING ISSUES:

- ▶ The change to standard 20" wheels could not be coded in time for Job#1, so initially the 20" Orona (XK) and 20" Takoba (XKR) wheels will appear as No Cost Options. Please select these wheels when ordering

UPDATES:

- ▶ Initial release: 04/03/2012

NOTE: Changes in standard equipment, options or prices can occur. Jaguar reserves the right to change product specifications at any time without incurring obligations.
