

**Vehicle information**

2010 Jaguar XK (X150)

VIN: SAJKC43R1AMB38274

Mileage:

Diagnostic Time: 2019-05-17 21:16:32

Diagnostic Path: Automatic selection\Diagnosis\Control unit\FSJB - Central junction box (body control module)\Live data\

1. Central junction box - Digital input - Hood ajar switch	Off
2. Central junction box - Digital input - Cluster security	Off
3. Central junction box - Digital input - Driver's door ajar switch	On
4. Central junction box - Digital input - Front passenger's door ajar switch	Off
5. Central junction box - Digital input - Auxiliary junction box anti-theft	Off
6. Central junction box - Digital input - Windshield wash fluid level switch	Off
7. Central junction box - Digital input - Not in park signal	Off
8. Central junction box - Digital input - Master lighting switch	Off
9. Central junction box - Digital input - Start/stop switch	Off
10. Central junction box - Digital input - Park neutral position switch	On
11. Central junction box - Digital input - Footbrake switch signal	Off
12. Central junction box - Digital input - Spare 1 - Driver's internal pull switch	Off
13. Central junction box - Digital input - Front left - Front right global close	Off
14. Central junction box - Digital input - Intrusion detection module Alarm output - Slave	On
15. Central junction box - Digital input - Intrusion detection module Alarm output - Master	On
16. Central junction box - Digital input - Rain sensor signal	Off
17. Central junction box - Digital input - Windshield wiper park switch	On
18. Central junction box - Digital outputs 1 - Power distribution box - Ignition control	On
19. Central junction box - Digital outputs 1 - Key-in status	On

20. Central junction box - Digital outputs 1 - Engine cranks	Off
21. Central junction box - Digital outputs 1 - Left low beam	Off
22. Central junction box - Digital outputs 1 - Right low beam	Off
23. Central junction box - Digital outputs 1 - Passive sounder	Off
24. Central junction box - Digital outputs 2 - Battery backed sounder power	Off
25. Central junction box - Digital outputs 1 - Intrusion detection module - Alarm/disarm	Off
26. Central junction box - Digital outputs 1 - Intrusion detection module - Power out	Off
27. Central junction box - Digital outputs 1 - Air conditioning water pump	Off
28. Central junction box - Digital outputs 1 - Heated windshield control	Off
29. Central junction box - Digital outputs 1 - Cigar lighter - Relay control	On
30. Central junction box - Digital outputs 1 - Powerwash relay - control	Off
31. Central junction box - Digital outputs 1 - Windshield wiper fast/slow - Relay control	Off
32. Central junction box - Digital outputs 1 - Windshield wiper on/off	Off
33. Central junction box - Digital outputs 1 - Accessory socket - Relay control	On
34. Central junction box - Digital outputs 1 - Delayed power off relay - Control	On
35. Central junction box - Digital outputs 1 - Right cornering lamps	Off
36. Central junction box - Digital outputs 1 - Left cornering lamps	Off
37. Central junction box - Digital outputs 1 - Steering column lock - Power	Off
38. Central junction box - Digital outputs 1 - Front right seat heater supply	Off
39. Central junction box - Digital outputs 1 - Front left seat heater supply	Off
40. Central junction box - Digital outputs 1 - Front right side lamp control - Control	Off
41. Central junction box - Digital outputs 1 - Front left side lamp control - Control	Off
42. Central junction box - Digital outputs 1 - Front right fog lamp	Off
43. Central junction box - Digital outputs 1 - Front left fog lamp	Off
44. Central junction box - Digital outputs 1 - Steering wheel heater supply	Off

45. Central junction box - Digital outputs 1 - Right high beam	Off	
46. Central junction box - Digital outputs 1 - Left high beam	Off	
47. Central junction box - Digital outputs 2 - Windshield wash pump	Off	
48. Central junction box - Digital outputs 2 - Ignition supply 1	On	
49. Central junction box - Digital outputs 2 - Ignition supply 2	On	
50. Central junction box - Digital outputs 2 - Universal heated exhaust gas oxygen - Relay control	On	
51. Central junction box - Digital outputs 2 - Rain sensor - power	On	
52. Central junction box - Digital outputs 2 - Reverse inhibit	Off	
53. Start/stop switch 1	52.05	%
54. Start/stop switch 2	52.25	%
55. Clock illumination	0.00	%
56. Illumination supply	0.00	%
57. Sliding roof actuator - Feedback	0.00	%
58. Front left seat heater sensor	5.00	V
59. Front right seat heater sensor	5.00	V
60. Brake lining wear sensor - Feedback	0.00	V
61. Power mode - power mode	Running	
62. Power mode - power mode quality factor	Power mode undefined.
